

Coachella Community Health and Wellness General Plan Element Community Workshop #2

Thursday, February 9, 2012 • 6:00-8:30pm

Meeting Objectives and Outcomes:

- Provide an update on the GPU and Health Element process
- Present the existing health conditions
- Gain participant feedback on potential policy directions / solutions to health problems in Coachella

Agenda

- 1. Welcome and Project Overview / Update (6:15-6:25pm)**
 - General Plan and Health Element refresher
 - What we heard at the last meeting
 - Other GPU process components
 - Meeting purpose
- 2. Existing Health Conditions (6:25-6:40pm)**
 - Large Group:
 - R+A will present the existing health conditions in a PPT presentation to the entire group. Participants will have a chance to respond to / comment on the findings.
- 3. Solutions (aka Policy Directions) (6:40-6:55pm)**
 - Presentation (5 minutes)
 - R+A will present an overview of potential “solutions” or approaches to the previously discussed health concerns.
 - Visual Preference Survey (10 minutes)
 - R+A will show in PPT various community characteristics via photos. Participants would “vote” on the different types of community characteristics. Depending on technology availability voting will be done with multiple choice “paper” ballots or with clickers.
- 4. Interactive Stations by Health Topic (6:55-7:25pm)**
 - Presentation boards (think 5th grade science fair) will show potential health “solutions” (presented with a mix of bilingual text and images). Participants will visit each station and use sticker dots to vote on their priority approaches.

- Each station will also have a blank paper where people can post additional comments or ideas with post it notes.
- Each station will have 2 staff members (at least one must be bilingual). Potential station staff include:
 1. Matt Raimi
 2. Beth Altshuler
 3. Linda Guillis
 4. Matt Burris
 5. Miguel Vasquez
 6. Victoria Jauregui Burns
 7. Luis Lopez
